United States District Judge  
Southern District of New York  
500 Pearl Street  
New York, NY 10007

Re: United States v. Jonatan Correa  
20 CR 18 (RMB)

Dear Judge Berman:

Thank you for the opportunity to submit this additional letter in connection with the sentencing of Mr. Correa.

At the conclusion of yesterday's proceeding, I asked the Court to consider an equivalent (not necessarily identical) period of confinement in a Community Confinement facility, to permit Mr. Correa to continue work but also undergoing a period of custody. AUSA Andrew Chan informs me that the Government takes no position with respect to this application.

I have spoken to both USPO Robert Flemen, who prepared the PSR in Mr. Correa's case, and to Supervising Probation Officer Melissa Goldsmith from the District of Kansas respecting the matters raised at the conclusion of yesterday's proceeding. (Officer Goldsmith can be reached via email at [Melissa\\_goldsmit@ksp.uscourts.gov](mailto:Melissa_goldsmit@ksp.uscourts.gov), or by phone at (913) 634-0197.)

Confinement of Mr. Correa in a Community Confinement Center is available in his district of residence should the Court elect to impose it. (Indeed there is a BOP facility that is located in Kansas City.) Probation Officer Goldsmith informed me earlier today that the best procedural mechanism to accomplish such a placement would be to impose the community confinement as a condition of a sentence of Time Served plus Supervised Release (or a sentence of probation), with the Court to specify the period of Supervised Release (or probation), and the duration of the community confinement condition. The Probation Department in Kansas, after

receiving the Judgment and Commitment order from the Southern District of New York, would then prepare the referral package, select the place of Mr. Correa's confinement, and designate the start and end dates of the Confinement period.

I thank the Court for its consideration and attention.

Sincerely,

David Wikstrom
